Newark, N. J.

Dear Effa:

I am sending herewith a carbon of my letter to Posey.

I have just had a chat with Mr. Zeller who is agreed with everything I have said. He asked if you are satisfied with the substitution of Kansas City. I explained to him that you have your own park there in Newark and that you are playing there that date and are perfectly satisfied. I have mentioned you so favorably to him that he thinks well of you, so the next time you are here I think I will take you out there.

I will give you a call Saturday morning, or you may call me. I will be stopping at the Hotel Pennsylvania. I don't want to be up there at the Theresa where Posey and Tom Wilson are because I would rather not hear their chatter and complaints.

Yours in haste,

John R. Williams
